

High-Risk Behaviours: OnlyFans

OnlyFans—it's not what you think.

Websites like OnlyFans advertise quick wealth

for people selling sexual content on their platform, under the label of "adult content creating."

! SELLING SEXUAL CONTENT DIGITALLY IS DIGITAL PROSTITUTION, AND ADULT NUDITY IS PORNOGRAPHY.

Myth: The average person makes so much money on OnlyFans.

Truth:

The average OnlyFans creator gets:

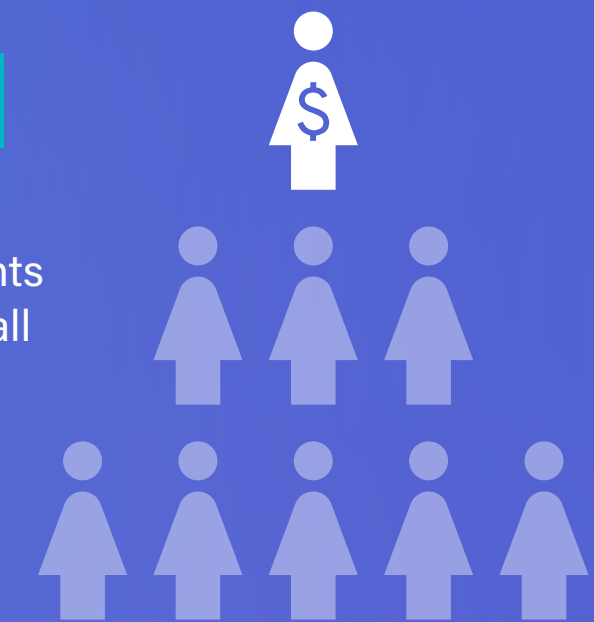

\$151 PER MONTH

before OnlyFans takes a cut.¹ **Only the top 1%** makes more than \$6000 every month.²

Myth: Anyone can get rich on OnlyFans.

Truth:

Only the top 10% of accounts make **73%** of all the money.³

What could go wrong?

Customers can dispute their payment after already consuming your content.

People publish your private information publicly.

It can impact future employment opportunities.

People can easily screen record and distribute your content to other sites.

Traffickers target people who are already selling sexual content.⁴

Who does it benefit?

The owner of OnlyFans who originally made his money running websites that advertised access to CSAM websites with hacked passwords.⁵

Traffickers who use it to facilitate and normalize e-pimping.

Predatory people looking to access illegal content from minors.

DISCLAIMER:

Any sexual content of a minor is **Child Pornography by Law** and considered Child Sexual Abuse Materials.
