

Unsafe People & Unhealthy Accounts

We can come across unsafe people in the physical world and in the digital world.

An unsafe person is someone who has bad intentions and wants to be inappropriate with you.

 + Online friends and followers can also be unsafe people.

Unsafe people will try to create **distance** between you and your safe people.

How can you tell if someone is an unsafe person?

IN PERSON

Asking you not to share something.

Giving gifts outside of special occasions or offering ways to make money.

Touching your personal body parts.

Meeting at a park without your parents knowing.

Showering you with lots of compliments or attention.

ONLINE

Having you join games or chats you don't have approval for.

Someone offering you gaming tokens, rewards, or cash.

Asking you to watch something inappropriate.

Asking you to add them on a different app.

Showering you with lots of compliments or attention.
