

Exploiters & Predators

It's not "predator",
it's "predatory".

A **predator** is not an age, gender, or look. It is a **set of behaviours** that indicate someone who has bad intentions and wants to take sexual advantage of someone.

THE AVERAGE AGE
OF A PREDATORY
PERSON IS ONLY

24¹

THERE ARE
750,000

predatory people online
at any given time looking
to connect with minors.²

It's not "exploiter",
it's "exploitative".

Exploiters are a form of predator
who commit sexual exploitation.

IF YOU REALLY
LOVED ME
YOU WOULD...

Being exploitative involves
pressuring, guilt, threatening or forcing
someone into sexual activity.

18

34

People who engage in exploitative
behaviours are typically between
18-34 years old.¹

Did you know?

12-17

Exploitative and predatory people
target 12-17 year olds the most.¹

**RED FLAGS OF
SOMEONE ACTING
PREDATORY OR
EXPLOITATIVE:**

4+

An age difference
of 4+ years.

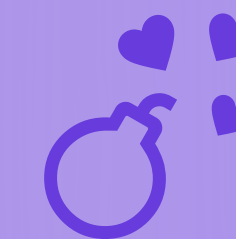

They pay for things outside
of special occasions.

Being with them creates
a need for secrecy from
your parents.

They create
division with the
people you trust.

Love bombing.

They expect you to
engage sexually early on.
