

Internet Dynamics & Grooming

Luring or grooming...
what's the difference?

Luring is a crime that refers to someone conversing with a minor digitally in order to sexually exploit them.

Grooming is the relationship and trust building process that comes after connecting with a youth.

How do you know if you're
being groomed online?

Someone is acting SUSS

STUFF:

Someone is offering you stuff online: modeling opportunities, money for your photos, gifts, gaming or social media rewards.

UNHEALTHY AGE GAP:

When deception is not involved, someone who is more than 4 years older.

SEXUAL:

Someone is asking you for nudes or sexual livestream within 48 hours.

SWITCH:

Someone is asking you to add them on a different platform.

Did you know?

make up the majority of victims of online child sexual offences.¹

The average age of people who are luring and grooming is:

Over the last five years, **Cybertip.ca** has received an

815% increase

in online luring reports.²

With social media and online platforms being used to meet needs such as:

SELF ESTEEM
BELONGING
POPULARITY
FAME & FORTUNE
LOVE...

...predatory people will try to meet those needs as a **lure into exploitation.**
